APPLICATION FOR PERMISSION TO ISSUE A BOND IN RM SYSTEM OF CENTRAL SECURITIES DEPOSITORY

(Paragraph 26 of the Act on the Book-Entry System)

1. Application

We apply for permission under paragraph 26 of the Act on the Book-Entry System (826/1991) and section 3.1.7 of the Euroclear Finland's Rules for the issuer specified below to issue the bond specified below in the RM system of the Euroclear Finland.

2. Official name of the book-entry issuer

3. Name and contact data of the issuer's contact person

4. Manager of the issuance in the RM system representing the issuer

5. Name and contact data of the contact person of the party managing the issuance

6. Register in which the issuance account will be kept

7. Issuance account data (appended)

8. Currency of issue

9. Whether the issue is placed with institutional investors. If book-entries can be purchased by retail investors, it must be clarified how the issuer has ensured that the holdings of any retail customers can be registered and processed.

10. Are there any certificated securities in circulation with the same terms?

11. Any other specific aspects relating to the book-entries to be issued

Appendices and details required for the application

1. Bond terms (issuance account data)
2. Completed and signed bond basic data form
3. Valid extract from Trade Register and Articles of Association of the applicant
4. Extract of the decision of applicant's authorized body (shareholders' meeting, Board of Directors) on the basis of which book-entries are issued in the book-entry system
5. Copy of the power of attorney by the issuer authorizing the manager of the issuance to submit the application for permission to issue

Date and signatures
